

Marathon Woman

TMP mother and Thetford runner Audrey Norbury completed her fifth full marathon at the end of May, running the attractive coastal route out of the city of Edinburgh to Musselburgh in 4 hours 2 minutes.

A warm and windy day back in her native Scotland provided generally good conditions for the run which Audrey described as "challenging but very enjoyable with a magnificent camaraderie among the runners." She was delighted with her time which was a personal best for her and is preparing to start training again within the next few weeks for her next marathon in Abingdon in October.

In a great gesture, Audrey ran the race to raise money for Thetford's Thursday night club Thetford Music Project, where daughter Beth is a keen guitar pupil. Sponsorship money is coming in and with the total to be announced on Friday July 11th, TMP's Summer Concert night, all those still with sums to collect or who wish to make a donation in support of Audrey's cause have just over a week to finish the race.
